

## ***Adult and Community Learning Services***

June 21, 2024

Dear Program Directors:

The FY25 Program Quality Review Schedule has been finalized (**see below**).

For programs receiving a PQR this year, you will see the **month** and **week** your review takes place, but the **exact day and time** will be scheduled with your review team lead **approximately four to six weeks** before the review; the team lead will contact you directly. Prior to that, if you have any questions, please email Russell Fenton at [Russell.Fenton@mass.gov](mailto:Russell.Fenton@mass.gov).

Also, please **remember** that for this funding cycle ACLS is reviewing programs that are **subgrantees**. When this is the case, the subgrantee will be **reviewed separately** from the program whose agency acts as the lead on the grant. This change in approach gives all programs the **attention** they deserve and provides a more **detailed picture** of collaborative partnerships as a whole.

Sincerely,

Wyvonne Stevens-Carter  
Adult Education State Director
