Is PRISM I Right for You?

PRISM I is an intensive support grant spanning up to 4.5 years and impacting all students and educators in preschool through grade three. It is a significant commitment and an exciting opportunity for LEAs.

To consider when deciding whether to apply to PRISM I:

Does my LEA have high quality instructional materials for Tier 1 core ELA/Literacy in grades K-3, as defined by a core curricular resource that is rated "meets" or "partially meets expectations" on CURATE?

Your LEA is eligible to apply to PRISM I! Use the list below to determine your LEA's readiness to participate in PRISM!

No

Your LEA is not eligible for this PRISM grant. Pending funding, there will be other PRISM grants available in the coming months.

Assessing Your LEA's Readiness

1. My LEA has already invested time and resources toward improving early literacy.
2. My LEA has support from the broader community on evidence-based early literacy.
3. My LEA went through a thorough, inclusive process to evaluate and select our HQIM.
4. My LEA regularly reviews our student achievement data and acknowledges disparities.
