### **Administering the Grade 8 Civics State Performance Task**

# Administering the Grade 8 Civics State Performance Task

If you are administering the Spanish/English edition of the Civics Tests, please turn to page 184 in Appendix E.

## A Materials Needed for the State Performance Task

1. Prior to testing, you will receive the following materials for students assigned to you:<sup>10</sup>
  - this manual
  - a roster of testing students
  - Civics test & answer booklets
  - scratch paper (blank, lined, or graph)
  - a list of students' SASIDs, if applicable
  - student ID labels, if labels were not previously applied to booklets
  - a tracking form to assist you and your principal in maintaining the security of test materials
  - "MCAS Testing—Do Not Disturb" sign
  - authorized bilingual word-to-word dictionaries for students who are currently or were ever reported as ELs
  - #2 pencils

**Note: English-language dictionaries are not allowed during MCAS testing.**

2. You will likely receive more materials than needed for your group of students. Notify your principal immediately if you need additional materials. Set aside unassigned materials and **keep them secure** until you return them to your principal.

**Remember that all test & answer booklets (including large-print booklets, Braille booklets, and Braille Administrator's Copies) are secure materials and must be tracked properly from the time you receive them until you return them to your principal.**

## B Before Students Arrive

1. Make sure the testing space has been appropriately prepared (see page 24).
2. Post the "MCAS Testing—Do Not Disturb" sign on the outside of the door of the testing space.
3. Apply student ID labels to booklets if this has not already been done. If you are missing labels for some students, these students will need to fill in additional information on the front covers of their booklets as described in step 10 of the Session 1 script.
4. Write your name on the board.
5. Write the name of your school and district on the board.
6. Write on the board: "You will answer questions 1–15 during this session."

<sup>10</sup> If applicable for any student in your assigned group, you will also receive Braille test materials or large-print test materials.

## **C As Students Arrive**

1. Collect books from students who brought them to read in the event they finish their work before the end of the test session.
2. Based on the guidelines in Appendix K, approve any bilingual dictionaries brought by students who are currently or were ever reported as ELs.

### **All other dictionaries are prohibited.**

3. Make sure that students do not have access to cell phones or other electronic devices during testing. These devices are **prohibited**, and their use for any purpose may result in the invalidation of test results.
4. Say to the students:  
**“Before we begin the test, you need to know that cell phones, smartwatches, ear buds, and other electronic devices are not allowed for any reason during this session, even after you turn in your materials. Results may be invalidated for students with any of these devices during testing or after turning in test materials.”**
5. If your principal has instructed you to do so, read the following recommended script:  
**“If you have a cell phone or other electronic device with you, please make sure it is now turned off, put it in your backpack, and leave it by the side of the room. You may not access it until you are dismissed from the testing room.”**

Pause to make sure that students have turned cell phones and other electronic devices off and have placed them in their backpacks.

6. If your principal has directed you to follow a different procedure to ensure that students do not have cell phones or other electronic devices in their possession, do so at this time. **Schools are ultimately responsible for implementing procedures that ensure students do not possess cell phones or other electronic devices during testing.**
7. Make sure that students’ desks are clear, except for #2 pencils (for all students) and authorized bilingual dictionaries (for students who are currently or were ever reported as ELs). Students may also have colored pencils and yellow highlighters (see page 15).
8. Make sure that students are seated in a way that supports a secure test environment, and that no one can see anyone else’s booklets.

# Administering the Grade 8 Civics State Performance Task

## **D Administer the State Performance Task**

To ensure that all students across the state have access to the same information and receive the same instructions, test administrators must read the following script verbatim to their students. At any time during the test session, you may repeat a portion of the script if necessary for clarification.

If your principal has instructed you to do so, you will need to turn to section E at appropriate points during the session to read recommended scripts for students going to a supervised lunch or going to the restroom.

1. Say to the students:

**“We are about to begin the Grade 8 MCAS Civics test. The Civics test consists of two parts: the State Performance Task, which you will take today, and the End-of-Course test, which you will take on \_\_\_\_\_ (announce the date for the EOC test). Test questions for both parts will be in your test & answer booklet, but you will only be answering the questions from the State Performance Task now.**

**The results of this test will be used to help track your academic progress, and will be sent to your parents or guardians as well as your teachers. It is important that you try to do your best work during this and every test session.”**

2. Say to the students:

**“I will now hand out the test & answer booklets and scratch paper. Do not open your booklet until I tell you to do so.”**

Distribute the test & answer booklets and one sheet of scratch paper to each student. Make sure that you give each student the correct assigned booklet.

3. Say to the students:

**“You may use your scratch paper at any time during this test. If at any point you need more, raise your hand and I will give you another sheet. You may have up to three sheets of scratch paper at one time. If you need more than three sheets, you will have to turn in some of your used scratch paper.”**

Then say:

**“Now pick up your test & answer booklet and QUICKLY flip through the pages to see if there are any missing pages, completely blank pages, or pages that were printed upside down.**

**Please raise your hand if you have a test & answer booklet with missing pages, blank pages, or upside-down pages.”**

4. Collect any defective booklets and fill in the VOID circle on the back cover of each. Then write “VOID” in large letters across the front cover of each. Set aside these booklets to be returned to the principal. Give new booklets to those students who had defective materials (see section D on page 19).

5. Say to the students:

**“Before beginning this test session, you will write some information on the front cover of your test & answer booklet. It is important that you complete all of this information CORRECTLY, and that you use ONLY a #2 pencil. You may NOT use a pen or any other writing instrument.”**

## Administering the Grade 8 Civics State Performance Task

6. Then say:

**“Near the top of the front cover is the heading for the Test Administrator name. Print my name on the line provided for this session. My name is on the board for you to copy.”**

Pause and check that students are completing the information correctly on the front covers of their test & answer booklets.

7. Then say:

**“Print the school name and the district name on the lines provided. I have written the school and district names on the board for you to copy.”**

Pause and check that students are completing the information correctly on the front covers of their test & answer booklets.

8. Then say:

**“Below the information you just printed is the title ‘Student Name Grid.’**

**Print the letters of your LAST name in the boxes below that title. Write one letter in each box, starting in the first box on the left. Between the printed words ‘Last Name’ and ‘First Name,’ you will see a dividing line. If your last name is longer than the space provided, fill in as much as will fit in front of the dividing line. If your last name has a hyphen or space, write the two names together as one word, without the hyphen or space.”**

Pause for students to complete this section.

9. Then say:

**“Print the letters of your FIRST name, starting with the box to the right of the dividing line. Do NOT write your nickname or use a different spelling of your name than usual. If your first name has a hyphen, write the two names together as one word, without the hyphen. Print your middle initial in the last box, under ‘MI.’”**

Pause for students to complete this section.

10. If **all** of the students in your assigned group are using test & answer booklets with student ID labels, skip to step 11. Otherwise, continue with this step.

Say to the students:

**“If your test & answer booklet does not have a student ID label on the lower right corner, you will now fill in the circles under each letter that you printed under the ‘STUDENT NAME GRID.’”**

Pause and check that students are completing this task correctly.

Say:

**“On the upper right side of the page, there is a section labeled ‘BIRTHDATE,’ with abbreviations for the months of the year. Fill in the circle to the right of the MONTH in which you were born. For example, if your birthday is in August, you will fill in the ‘8’ circle to the right of A-U-G.”**

## Administering the Grade 8 Civics State Performance Task

---

Next, print the two numbers for the DAY on which you were born, one in each box underneath the word 'DAY.' If your birthdate is a single number, print a zero first. For example, if your birthday is on the second of the month, you will print the numbers 'zero, two' in the boxes underneath 'DAY.'

Now print the numbers of the YEAR in which you were born in the boxes underneath 'YEAR.'

Last, underneath each number you printed, fill in the circle that contains the same number."

Pause and check that students are completing this task correctly. If students will be filling in their own SASIDs, say:

**"Locate the box labeled 'STATE-ASSIGNED STUDENT IDENTIFIER.' I will provide each of you with your State-Assigned Student Identifier number so you can write the information and fill in the appropriate circles."**

Provide students with their SASIDs. Check that students are completing this task correctly.

11. Then say:

**"Now I am going to tell you some more information about the test and the types of questions you will be answering.**

**The Civics State Performance Task contains two sections. In Section 1, you will be answering questions 1–11. In Section 2, you will be answering questions 12–15. While you are working in Section 1, you may revisit any of the Section 1 questions as many times as you like. When you have completed Section 1 and are ready to move on, you will then begin Section 2. Once you begin Section 2, you may not turn back to Section 1. You may only work in Section 2 at that point until you complete the test. To help you make sure you are in the right part of your booklet, Section 1 and Section 2 have different colors.**

**Read and examine each source and question carefully. Then answer each question as well as you can.**

**For most questions, you will mark your answers by filling in the circles in your test & answer booklet. Make sure you darken the circles completely. Do not make any marks outside the circles. If you need to change an answer, be sure to erase your first answer completely.**

**Some questions will ask you to write a response. Write your response in the space provided. Only responses written within the space provided will be scored.**

**Be sure at the end of each section that you have responded to every question and not left anything blank or unanswered."**

12. Say to the students:

**"Next, I am going to tell you about some things that are allowed and some that are not allowed during this session.**

**You may use a yellow highlighter in your booklet if you like; however, you must write all your answers in your booklet using a #2 pencil ONLY.**

## Administering the Grade 8 Civics State Performance Task

It is important that MCAS tests are fair to all students. Therefore, the following things are not allowed: copying answers from anyone else; using notes, books, extra reference sheets, or any kind of class materials; writing notes to, or talking to other students; and providing answers or help to any other student. You must not ask for or receive help from anyone else in answering the questions. Also, you may not have a cell phone or any other electronic device with you during testing. All students are expected to be honest, do their best, and not cheat in any way.

At any time during the session, you may raise your hand if you would like me to read aloud a word from the test to you. You will need to point to the word, and I will read it quietly to you and repeat it if necessary. But I will not be able to tell you what the word means, and I cannot give you any other help or assistance during this session. Please raise your hand if you have any questions about this."

Pause to answer any questions the students may have.

13. Say to the students:

**"This test is scheduled to be \_\_\_\_\_ (state length of test session) long. If you have not finished answering the questions at the end of that time, you will be given more time to finish. At most, you will have until the end of the school day, as long as you are working productively."**

(Optional) Pause to show students a sample page of a test & answer booklet that says "STOP" at the bottom.

14. Then say:

**"If you finish answering the questions before the end of the scheduled testing time, you should review your work in Section 2. However, you may NOT review Section 1. You may NOT look ahead to the End-of-Course test in your test & answer booklet.**

**Now open your test & answer booklet to page 2, which says, 'Grade 8 Civics State Performance Task.' Be sure to read all the directions. You may begin working now."**

15. If you are administering the test to any students with disabilities using accommodation A12 (Typed Responses), turn to page 209 in Appendix H for the script to read to these students at this time.
16. It is your responsibility to ensure a secure testing environment.

**Test security requirements are described in Part I, and other test administration protocols are described throughout this manual.**

**Circulate among the students while they take the test to see that they are working steadily, are not using cell phones or other electronic devices, and are in the correct session of their test & answer booklets.**

**Remember that you may view students' booklets for the sole purpose of confirming that students are working in the correct section. Based on the color of the booklet pages, you will be able to tell at a glance which section students are working in. Make sure no students go back to Section 1 after beginning work in Section 2. A test administrator may not review booklets to confirm whether students have marked all their responses.**

## Administering the Grade 8 Civics State Performance Task

---

17. When the session time is half over, say to the students:

**“The scheduled time is half over. Make sure that you answer every question in this test. When you are finished answering all of the questions in Section 2 and reviewing your work, you may hand in your test materials to me. Remember, if you are still working at the end of the scheduled session, you will be given more time to finish your test.”**

18. (Optional) Then say to students:

**“You may now have a short break during which you may stand up and stretch. During the break, you may not have conversations with other students. If you do not want to take a break, you may continue working. The break will be \_\_\_\_\_ (state the length of the break) minutes long. Please place your scratch paper and your pencil inside your booklet at the page you are working on, and close your booklet.”**

The break may be scheduled for 3–5 minutes, at the test administrator’s discretion. When the break is completed, say to the students:

**“The break is now over. You should begin working again.”**

Resume monitoring the testing room.

19. Say to **ANY STUDENT WHO FINISHES EARLY**:

**“Before you hand me your booklet, I want to remind you that you should make sure you have answered every question in Section 2 and not left anything blank or unanswered. You may not go back to Section 1.**

**I want to remind you that cell phones, smartwatches, ear buds, and other electronic devices are *still* not allowed until you are dismissed from the testing room.”**

Permit students to check whether they have answered every question in Section 2. Do not permit them to return to Section 1.

20. At the **END OF THE SESSION**, say:

**“This is the end of the time scheduled for this session. Before I collect your booklets, I want to remind you that you should make sure you have answered every question in Section 2 and not left anything blank or unanswered. You may not go back to Section 1.”**

Pause to allow students to check whether they have answered every question in Section 2. Do not permit them to return to Section 1.

21. Say to the students:

**“Please put your pencil down and close your booklet. If you need more time to answer any questions, raise your hand.”**

22. Note which students need more time and then pick up each student’s booklet and scratch paper, keeping the materials of students who need more time separate from the others. Verify that you have a used test & answer booklet and scratch paper from each student. Remind students of when they will take the End-of-Course test.

## Administering the Grade 8 Civics State Performance Task

23. If you are administering the test to any students using accommodation A12 (Typed Responses), ask students to review their printed typed responses. **Do not dismiss students until they have confirmed that their printed typed responses are ready to submit.** After these students have completed testing, see page 210 in Appendix H for further instructions.
24. For students who need more time, if your principal has instructed you to do so, read the following recommended script to students who are moving to a test completion room:

**“If you have not yet finished your work in this session, you will be moved to \_\_\_\_\_ (location) to complete the test. You will have until the end of the school day to finish your work, as long as you are working productively.**

**Your test materials will be brought there for you. Your cell phone and any other electronic devices must remain off, and you may not access them until you are dismissed from the test completion room.”**

If your principal has directed you to follow a different procedure to ensure that students do not have cell phones or other electronic devices in their possession while moving to a test completion room, do so at this time.

Be sure to complete appropriate tracking documents and follow your principal’s instructions for maintaining the security of test materials for students in a test completion room.

25. Make a list of all students in your assigned group who were not tested. These students will be able to take the State Performance Task during the make-up period. If all the students assigned to you took the test, notify your principal of this. It is important to keep accurate records of who has been tested, as it is not permissible to look through assigned test & answer booklets to check whether students have completed testing.
26. Verify that any students who filled in circles for their names, dates of birth, and SASIDs on the front covers of test & answer booklets have done so correctly. If not, correct the information on the front covers at this time.
27. Group test materials into the following separate piles:
  - used test & answer booklets
  - used scratch paper
  - unused scratch paper
  - void test & answer booklets
  - unused test materials
  - contaminated test materials, if applicable (Remember to notify your principal or test coordinator.)
28. Complete appropriate tracking documents, as instructed by your principal.
29. Immediately return **all** test materials and the list of students who were not tested to your principal.

**Remember that all test & answer booklets (including large-print booklets, Braille booklets, and Braille Administrator’s Copies) are secure materials and must be tracked properly from the time you receive them until you return them to your principal.**

## **E Recommended Scripts to Read for a Supervised Lunch or Restroom Break**

1. **For students who will be escorted to a SUPERVISED LUNCH**, if your principal has instructed you to do so, read the following recommended script to students:

**“It is now time for lunch. You will be able to continue testing after lunch, and you will have until the end of the school day to finish your work, as long as you are working productively.**

**You will be going to \_\_\_\_\_ (location) after your supervised lunch to finish testing, and your test materials will be brought there for you. Your cell phone and other electronic devices must remain off during lunch, and you may not access them until you are dismissed from the test completion room. Also, you may not have conversations during your lunch break.”**

If your principal has directed you to follow a different procedure to ensure that students have a supervised lunch and security is maintained, do so at this time.

Be sure to complete appropriate tracking documents and follow your principal’s instructions for maintaining the security of test materials for these students.

2. **For students who ask to use the RESTROOM during the test session**, if your principal has instructed you to do so, read or point to this recommended script:

**“You may not retrieve or access your cell phone or any prohibited materials while you are out of the room.”**

If your principal has directed you to follow a different procedure, do so at this time.

8. Make sure that students are seated in a way that supports a secure test environment, and that no one can see anyone else’s booklets.

## Administering the Grade 8 Civics End-of-Course Test

### D Administer the End-of-Course Test

To ensure that all students across the state have access to the same information and receive the same instructions, test administrators must read the following script verbatim to their students. At any time during the test session, you may repeat a portion of the script if necessary for clarification.

If your principal has instructed you to do so, you will need to turn to section E at appropriate points during the session to read recommended scripts for students going to a supervised lunch or going to the restroom.

1. Say to the students:

**“We are about to begin the second and final part of the Grade 8 Civics test: the End-of-Course test.”**

2. Say:

**“I will now hand out the test & answer booklets and scratch paper. Do not open your booklet until I tell you to do so.”**

Distribute the test & answer booklets back to their original owners and distribute one sheet of scratch paper to each student. **Note:** It is your responsibility to ensure that all students receive their original test & answer booklets.

3. Say to the students:

**“Make sure you have your own test & answer booklet. If you have someone else’s booklet, raise your hand now.”**

If any students raise their hands, give them their correct test & answer booklets.

Then say:

**“On the front cover, print my name on the line provided for Session 2. My name is on the board for you to copy.”**

Pause and check that students are completing this task correctly.

4. Then say to the students:

**“You may use your scratch paper at any time during this test. If at any point you need more, raise your hand and I will give you another sheet. You may have up to three sheets of scratch paper at one time. If you need more than three sheets, you will have to turn in some of your used scratch paper.”**

5. Any students who have not filled out the covers of their test & answer booklets must do so according to the instructions in steps 7–10 on pages 111–112 of this manual.

6. Say to the students:

**“Now I am going to tell you some more information about the test.**

**The Civics End-of-Course test contains two sections. In Section 1, you will be answering questions 1–19. In Section 2, you will be answering questions 20–38. While you are working in Section 1, you may revisit any of the Section 1 questions as many times as you like. When you have completed Section 1 and are ready to move on, you will then begin Section 2. Once you begin Section 2, you may not turn back to Section 1. ## Administering the Grade 8 Civics End-of-Course Test

16. Say to the students:  
**“Please put your pencil down and close your booklet. If you need more time to answer any questions, raise your hand.”**
17. Note which students need more time and then pick up each student’s booklet and scratch paper, keeping the materials of students who need more time separate from the others. Verify that you have a used test & answer booklet and scratch paper from each student.
18. If you are administering the test to any students using accommodation A12 (Typed Responses), ask students to review their printed typed responses. **Do not dismiss students until they have confirmed that their printed typed responses are ready to submit.** After these students have completed testing, see page 210 in Appendix H for further instructions.
19. For students who need more time, if your principal has instructed you to do so, read the following recommended script to students who are moving to a test completion room:  
**“If you have not yet finished your work in this session, you will be moved to \_\_\_\_\_ (location) to complete the test. You will have until the end of the school day to finish your work, as long as you are working productively. Your test materials will be brought there for you. Your cell phone and any other electronic devices must remain off, and you may not access them until you are dismissed from the test completion room.”**  

If your principal has directed you to follow a different procedure to ensure that students do not have cell phones or other electronic devices in their possession while moving to a test completion room, do so at this time.

Be sure to complete appropriate tracking documents and follow your principal’s instructions for maintaining the security of test materials for students in a test completion room.
20. Make a list of all students in your assigned group who were not tested. These students will be able to take the End-of-Course test during the make-up period. If all the students assigned to you took the End-of-Course test, notify your principal of this. It is important to keep accurate records of who has been tested, as it is not permissible to look through assigned test & answer booklets to check whether students have completed testing.
21. Verify that any students who filled in circles for their names, dates of birth, and SASIDs on the front covers of test & answer booklets have done so correctly. If not, correct the information on the front covers at this time.
22. Group test materials into the following separate piles:
  - used test & answer booklets
  - used scratch paper
  - unused scratch paper
  - void test & answer booklets
  - unused test materials
  - contaminated test materials, if applicable (Remember to notify your principal or test coordinator.)
23. Complete appropriate tracking documents, as instructed by your principal.

## Administering the Grade 8 Civics End-of-Course Test

24. Immediately return **all** test materials and the list of students who were not tested to your principal.

**Remember that all test & answer booklets (including large-print booklets, Braille booklets, and Braille Administrator's Copies) are secure materials and must be tracked properly from the time you receive them until you return them to your principal.**

### **E Recommended Scripts to Read for a Supervised Lunch or Restroom Break**

1. **For students who will be escorted to a SUPERVISED LUNCH**, if your principal has instructed you to do so, read the following recommended script to students:

**“It is now time for lunch. You will be able to continue testing after lunch, and you will have until the end of the school day to finish your work, as long as you are working productively.**

**You will be going to \_\_\_\_\_ (location) after your supervised lunch to finish testing, and your test materials will be brought there for you. Your cell phone and other electronic devices must remain off during lunch, and you may not access them until you are dismissed from the test completion room. Also, you may not have conversations during your lunch break.”**

If your principal has directed you to follow a different procedure to ensure that students have a supervised lunch and security is maintained, do so at this time.

Be sure to complete appropriate tracking documents and follow your principal's instructions for maintaining the security of test materials for these students.

2. **For students who ask to use the RESTROOM during the test session**, if your principal has instructed you to do so, read or point to this recommended script:

**“You may not retrieve or access your cell phone or any prohibited materials while you are out of the room.”**

If your principal has directed you to follow a different procedure, do so at this time.
