LEA Determination Status Timeline

= Activity

NEEDS INTERVENTION

This document is a high-level timeline of the required activities, supports, and deliverables for any district that received the LEA determination status of "Needs Intervention" during the 23-24 SY. Specific dates for deliverables will be communicated to the LEA's special education director via email. Please contact specialeducation@doe.mass.edu with any questions.

= Convening Understand your determination status data by reviewing the recorded webinar, quick-reference guide, and FAQ = Deliverable Allot 2% of total SPED entitlement allocation to targeted systemic improvement aligned with criteria scoring 1 or 2 on the LEA determinations rubric (M3) Submit 240 grant application with 2% identified **Sept 2024** for M3 Attend October convening on root cause analysis facilitated by SPED Strategies Conduct root cause analysis to address gaps in performance Submit root cause analysis to SPED Strategies for **Dec 2024** feedback Attend consult call with SPED Strategies for root cause analysis feedback Draft an action plan based on your root cause analysis Attend January convening on action planning facilitated by SPED Strategies Feb 2025 Submit action plan to DESE Review 240 grant application and amend based on new learnings Begin implementing your action plan Mar 2025 2024-25 LEA determinations released Attend consult call with SPED Strategies to review your action plan and plan for next year Jun 2025 **Submit EOY final report to DESE**
